

NEWCASTLE

INTERNATIONAL IAKS SWIMMING POOL CONFERENCE

„INTERNATIONAL TRENDS IN POOL DESIGN AND OPERATIONS“
12/13 SEPTEMBER 2018
NEWCASTLE UPON TYNE, UK

PROGRAMME

INTERNATIONAL TRENDS IN POOL DESIGN AND OPERATIONS
NEWCASTLE UPON TYNE, UK, 12/13 SEPTEMBER 2018

Where do the experts discuss international trends in the design and operation of swimming pools? The pool sector has a lively community in many countries, but there is (almost) no international exchange of expertise.

Intelligent solutions rarely find their way across national borders, or only after a long delay. The IAKS is therefore organising the first-ever swimming pool conference specifically devoted to the exchange of international expertise among operators/owners, designers/consultants and manufacturers.

WEDNESDAY 12 SEPTEMBER 2018

- 6.30 pm Guided tour of Hebburn Central: an integrated community centre with pool, gym and library
- 7.30 pm Transfer to conference hotel
- 8.30 pm Networking dinner in Newcastle upon Tyne
